Re: Assignment of .NAME Registry Agreement

Dear Jonathan,

ICANN has received your letter dated 2 March 2009 that includes a copy of the Assignment and Assumption Agreement as well as clean and redlined versions of the .NAME Registry-Registrar Agreement (RRA).

ICANN reviewed the proposed RRA and provided an opportunity for registrars to comment on it via a posting of the RRA to the Registrars Constituency mailing list. Having followed our process for the review of proposed amendments to RRAs, ICANN has approved .NAME RRA.

This letter will confirm that ICANN has:

- Posted your letter and the Assignment and Assumption Agreement to ICANN's correspondence page;
- Posted a link to the Assignment and Assumption Agreement to <http://www.icann.org/en/tlds/agreements/name/>; and,
- Posted the amended .NAME RRA to <http://www.icann.org/en/tlds/agreements/name/>.

Thank you for your cooperation regarding the assignment of the .NAME Registry Agreement. If you have any questions, please feel free to contact me at 202.429.2703.

Sincerely,

A handwritten signature in black ink that reads "Craig S. Schwartz". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Craig S. Schwartz
Chief gTLD Registry Liaison
