

15 October 2018

Dear Mr. Kumari,

I am writing to personally commend you for reporting the issue that you identified regarding the security vulnerability in the ICANN organization's Registrar Contact Information Database (RADAR) system. In keeping with our commitment to transparency, this information has been recorded in an [incident log](#) published on our website and a copy of this letter will be posted on our [correspondence page](#).

With your help, the issue has been resolved. I encourage you and others to responsibly report any issues you encounter in our systems/services, along with related information to help us remediate the concern, by emailing vulnerability@icann.org.

With sincere appreciation,

Göran Marby
President and Chief Executive Officer
Internet Corporation for Assigned Names and Numbers (ICANN)
